SUBJECT : GUIDELINES CONCERNING REGISTRATION OF LANDBASED NAME HIRES

Pursuant to Section 6, Rule III, Part III and Section 2, Rule I, Part V of the POEA Rules and Regulations Governing the Recruitment and Employment of Landbased Overseas Workers, the following guidelines on the registration of name hires, are hereby issued:

A. Definition of Name Hire

Name hire shall refer to a worker who is able to secure an overseas employment opportunity without the assistance or participation of a recruitment agency.

B. Coverage

1. These guidelines shall apply to landbased name hires, except household workers.
2. Only Filipino workers hired by direct employers may be processed as name hires.
3. Agency-endorsed name hires shall no longer be allowed.

C. Minimum Provisions of the Employment Contract

The following are the required minimum provisions of the employment contract:

1. Guaranteed wages for regular work hours and overtime pay, as appropriate, which shall not be lower than the prescribed minimum wage in the host country, or the minimum wage set by a bilateral agreement or international convention duly ratified by the host country and the Philippines, or the minimum wage in the Philippines, whichever is highest.
2. Free transportation to and from the worksite or offsetting benefits
3. Free food and accommodation or offsetting benefits;
4. Just/authorized causes for termination of the contract or of the
   services of the workers taking into consideration the customs,
   traditions, norms, mores, practices, company policies and the
   labor laws and social legislations of the host country;
5. Repatriation of worker’s remains and proper disposition thereof,
   upon previous arrangement with the worker’s next-of-kin, or in
   the latter’s absence, the nearest Philippine embassy or
   consulate to the worksite; or offsetting benefit/arrangement (for
   example, an employer’s undertaking on repatriation of the
   worker’s remains, at the expense of the employer, submitted to
   the host country as a requirement for the issuance of work/entry
   permit, life insurance, etc.).

The Administration reserves the right to disapprove employment
contracts, which contain provisions that are contrary to law, morals and public
policy.

D. Documentary Requirements

A name hire shall be registered by the POEA upon submission of the
following documents:

1. Valid passport (original and photocopy)
2. Employment contract or offer of employment or equivalent
document, duly signed by the employer and worker, (original
and photocopy).
3. Visa/employment or work permit, or equivalent entry document
   (original and photocopy)
4. Certificate of medical fitness (with photograph of the worker)
5. Certificate of attendance to the required employment
   orientation/briefing
6. Duly accomplished OFW Info Sheet

The documentary requirements for name hires shall be subject to
country/skill-specific deployment guidelines that the Administration may
adopt. Verification of employment contracts of workers belonging to the
professional workers category or those going to countries with highly
developed system of labor and social security shall not be required, unless
otherwise specified by the Philippine Overseas Labor Office (POLO) or
defined under separate country-specific guidelines.
C. Medical Examination

Name hires shall undergo pre-employment medical examination at a medical hospital or clinic accredited by the Department of Health (DOH) or foreign embassy/consulate in Manila, or other government authorities of the host country to conduct medical examination of overseas Filipino workers, in accordance with the medical requirements of the host country.

The name hire shall choose a clinic from the list of accredited medical hospitals and clinics which will be made available by the POEA. A medical referral/endorsement form shall be issued by the POEA to the worker for this purpose.

A name hire with an “unfit to work” or expired medical certificate shall not be registered unless the employer assumes full responsibility in writing for the worker’s medical condition should a medical problem arise during the term of his/her employment.

A name hire may be exempted from undergoing the pre-employment medical certificate requirement if the host country requires medical examination upon arrival at the jobsite and the employer guarantees repatriation of the worker should a medical problem arise.

D. Pre-Departure Orientation Seminar

All name hires, except those returning to the same jobsite shall be required to attend a pre-departure orientation seminar or a special briefing to be conducted by POEA before they shall be registered by the Administration. Workers belonging to the professional category may be administered a special briefing on relevant information requirements. The workers shall be referred to the Workers Education Division of this Administration for the appropriate orientation/briefing.

G. Registration at the POEA Regional Centers / Extension Units

Workers may also register as name hires at any of the POEA Regional Centers and Regional Extension Units in the provinces.
