MEMORANDUM

TO : ALL POEA OFFICIALS AND EMPLOYEES

SUBJECT : An appeal for help

Date : January 11, 2000

Last January 2, 2000 the house of our colleague, the late Director Aura Sabilano, of the Bureau of Women and Young Workers (BWyW), was destroyed by fire. As a result, they lost everything.

The incident surely aggravated the emotional pain the Sabilano family is still undergoing because of the demise of Director Sabilano.

Let us therefore extend help to her family by way of donation in cash or in kind.

Your donation may be coursed through the POEA Cash Division.
