Re : Community Forum

On Monday, March 29, 1999, the Philippine Overseas Employment Administration will hold a community forum as a culminating activity in commemoration of the international women’s month.

The Planning Branch has invited women of calibre as guest speakers to a three-hour forum to tackle different but important issues concerning women and their rights, and all aspects of their life including family, career, health, among others.

In this regard, all POEA Officials are invited to attend the POEA Community Forum to be held on Monday, March 29, 1999, 9:00 AM at the POEA Auditorium, as a show of our support to gender sensitivity.

Your presence is highly appreciated.
