MEMORANDUM

TO : POEA OFFICIALS AND EMPLOYEES

RE : WEARING OF POEA IDENTIFICATION CARD

DATE : 22 FEBRUARY 1996

It is reiterated that wearing of POEA ID shall be strictly enforced. Due to a number of persons coming in and out of the POEA building daily, it is necessary that proper identification system must be in placed. As such, wearing of the POEA ID Card while at the premises of this building would be the most simple and logical mechanism. This would also help ensure the safety and security of persons and properties inside the building.

Moreover, the Security Guards have been instructed to implement this directive strictly. A “No ID, No Entry” policy will be observed starting on Friday, February 23, 1996. Officials and employees are enjoined to cooperate.

For compliance,
