MEMORANDUM

TO : ALL CONCERNED

SUBJECT : Donations for Victims of Mayon Volcano Eruption

DATE : 08 March 2000

The recent eruption of Mt. Mayon has forced residents living within the danger zone to flee their homes and leave behind their personal belongings and source of livelihood. Several families are still being evacuated to safer grounds as a result of the volcano's continuous eruption. The government can only do so much to provide the Mt. Mayon victims with their basic needs.

In this regard, all are enjoined to help our fellow countrymen affected by the volcanic eruption by donating cash or used clothes, shoes/slippers for adults and children, canned goods, rice and other basic needs which will be distributed to the affected families. Please forward cash donations to the POEA Cash Division while donations in kind may be forwarded to the HRD Division. All donations shall be duly acknowledged.
