TO : ALL POEA OFFICIALS AND EMPLOYEES

RE : DRESS CODE

DATE : 14 August 1995

Since we have relaxed our policy on wearing of POEA uniforms, we have observed that several employees are no longer observing the Dress Code for Government Employees pursuant to CSC MC No. 14 series of 1991. The Dress Code is hereby reiterated as follows:

"On the days when employees are exempted from wearing the prescribed office uniform, they must be dressed appropriately; preferably business clothes but no party attire, picnic clothes, sandals nor T-shirts should be worn at work."

Exemption may be allowed on the following reasons:

a.) When by the nature of work of the employees concerned, they necessarily must wear other appropriate clothing.

b.) Physical disabilities

c.) On the family way

d.) In mourning

e.) Other analogous circumstances of any of the aforementioned.

For strict compliance,

FELICISIMO O. JOSON, JR.
