MEMORANDUM

TO : All POEA Officials and Employees

RE : Reiterating Attendance to Flag-Raising Ceremony

DATE : 27 August 2001

It has been noted that despite repeated memorandum for POEA officials and employees, still very few attend the flag raising ceremonies. In accordance with RA 6713 (Code of Conduct and Ethical Standards for Public Officials and Employees), this activity is seen as the appropriate time for us Filipinos to affirm patriotism and love of country as civil servants. The Philippine Flag, as the symbol of our national identity, should be accorded the highest degree of respect and honor especially during the flag-raising rites.

In this connection, may I reiterate the role of POEA officials and employees in serving as models to our fellow co-workers, by regularly attending the flag-raising ceremony every Monday. The Administrative Branch, particularly, the HRD Division shall monitor the attendance.
