MEMORANDUM

SUBJECT: Christmas Fund Drive for the Poor

Generosity is not discriminatory. Often it does not choose its target nor its time. But acts of charity and generosity gain more meaning when given to the less fortunate during the season of gift-giving.

This is the reason why we have already started a fund drive for the less privileged sectors of our society. Permit us to appeal to the spirit of generosity for which you are known, to support our Christmas Fund Drive. Any donation in cash or in kind would be most welcome.

Kindly send your cash donations directly to the Cash Division and in-kind donations (grocery items, rice, used clothing, old shoes, etc.) to the Administrative Branch, c/o Director Carolina G. de Leon.

Thank you very much and may God bless you for your generous act of compassion for the poor.
