TO: ALL POEA EMPLOYEES

RE: WEARING OF IDENTIFICATION CARDS (IDs)

DATE: JUNE 9, 1987

In line with the new security measure being implemented for the POEA which requires the physical inspection of baggages of all incoming visitors (i.e. agency owners, foreign employers/clients, applicants, liaison officers, companions of POEA personnel, etc.), all POEA employees are strictly mandated to wear their IDs upon entering the POEA building and while within its premises, otherwise they shall also be subjected to security check just like any visitor. Lost ID cards should therefore be reported immediately to the Personnel Division for proper action.

This memo shall take effect on June 15, 1987.

For strict compliance.

MANUEL G. IMSON
Deputy Administrator
for Administration
