SPECIAL ORDER NO. 383
Series of 2011

Taking into consideration the necessity to implement an immediate systems review for the purpose of establishing an integrated database system within the POEA and improve the efficiency of planning services in accordance with the Secretary's directive to initiate reforms in the POEA, the Planning Branch and Information and Communication Technology Branch are hereby placed under the direct supervision of the Administrator until further orders.

The respective Directors of the said branches shall properly coordinate with the Administrator for the smooth implementation of this Order.

This Order shall take effect immediately.

For strict compliance.

Mandaluyong City, 28 July 2011.

CARLOS S. CAO, JR.
Administrator
